Dear Bürgermeister Banaschak

I am privileged to send this message of friendship on behalf of Polegate Town Council to our twinned town of Appen.

It is a notable achievement that our groups have maintained such a close association over 30 years and all credit must go to them for the enduring commitment they have shown.

We are sure there has been demonstrable benefit from the exchanges of ideas and cultures between our nations and we hope the bond which has been established continues through the generations to come.

Kindest regards

*Tim Voyce*
